Parkinson's Movement Disorder Alliance.

By participating in this program, you acknowledge that you understand and agree to Acadia's [Privacy Policy](#). Please note that the name you enter in the Zoom platform when joining the program will be visible to Acadia.

Program Overview

- Introduce non-motor symptoms of Parkinson's disease (PD): hallucinations and delusions
- Describe the symptoms of PD-related hallucinations and delusions
- Explore how you can talk to your healthcare provider about your symptoms and establish a treatment plan
