Medication Ordering

New Patients

Send new orders and face sheet with billing information to the pharmacy.

New Orders

Please send the original physician's order as soon as it is written. First doses may be available from the Ekit or RxNow cabinet, but require a call to the pharmacy for controlled substances.

Refills

Please order refills according to the "ORDER AFTER" date on the Rx label, or when you have a 3-day supply remaining, to allow adequate time for processing and delivery. Processed refill orders will be delivered on the next scheduled delivery.

Emergency or STAT Orders

Please call and fax any STAT orders directly to the pharmacy.

Please call the pharmacy for any emergency requests outside of scheduled deliveries.

Control Drug Orders

Control orders can only be delivered upon receipt of a valid script from the prescriber. Please reorder control drug orders when you have a 3-day supply remaining to allow adequate time for processing and delivery.

Customer Service

The Customer Service Center team is available to provide information as well as support in escalating your requests and issues related to the following services: Consulting Pharmacy Services, IV Nurse Education, Medical Records, Nurse Consulting Services, ViewMasteRx, and more.

To contact the Customer Service Center, call 877-874-2768.
